

HOW TO DO COMMON TASKS – Video Consultation with Patient or any other contact who does not have the RxBuzzPro app

Enter name, number or Email of the person who you want to do a video call with.

This feature in this document is for communicating with those who don't have RxBuzzPro.

For users of RxBuzzPro on both ends, the process is similar to making a regular video call through any messaging app.

An Invite to use Buzz Video is on its way to Rajat Dhupia [+917977201885].

We will notify you when the invited user initiates the video. You may start the session now and wait for the patient to join. Else, you can start it later by going to the Buzz Menu and choosing Video Sessions (please find the session from the Buzz Menu -> Video Sessions).

Thank you.
